- a. Treat everyone with respect.
- b. Listen and seek to understand differing views or opinions.
- c. Wait to be recognized by the moderator before speaking. Do not interrupt or engage in side-conversations when others have the floor.
- d. Represent information honestly and openly.
- e. Refrain from using offensive, disrespectful, or derogatory language. Personal or organizational attacks or insults will not be tolerated.
- f. Allow for a balance of speaking time.

Chilipepper & CA Quillback Rockfish Pre-assessment Workshop

23 Jan 2025 [online]

Workshop Objectives

- 1) Review and critically evaluate proposed data sources for each stock assessment
 - 2) Discuss planned modeling approaches
 - 3) Solicit input from data stewards, stakeholders, and managers
 - 4) Generate a workshop report that summarizes the discussion, documents modeling decisions (e.g., spatial strata), and details any potential issues raised by participants
-
- * **Promote a shared understanding about the best available data, analytical techniques, and modeling approaches for each stock assessment**
